2016

SPARK

Spark is sold in more than 40 markets around the world, with global sales of more than 1 million.

BUILT AT: South Korea
EPA VEHICLE CLASS: mini-car

NEW FOR 2016

- Redesigned, more refined global mini-car offers greater efficiency, safety and connectivity
- 1.4L engine produces more horsepower than previous model
- Safety features including Forward Collision Alert and Lane Departure Warning
- Enhanced Chevrolet MyLink with phone integration technology, featuring Android Auto and Apple CarPlay capability

VEHICLE HIGHLIGHTS

- The new Spark has a sleeker appearance, thanks to a slightly longer wheelbase, and an overall height that's about 1.6 inches lower than the previous model
- Lineup includes LS and LT models
- Contemporary interior with all-new, advanced dot-matrix LCD color instrument display and prominent center stack for infotainment and climate controls
- OnStar with 4G LTE with Wi-Fi hotspot (includes 3GB/three-month data trial)
- Connectivity includes Chevrolet MyLink radio, standard OnStar with six months of Automatic Crash Response, Guidance service, Turn-by-Turn navigation and MyChevrolet mobile app
- All-new Chevrolet MyLink with phone integration capability from Apple CarPlay and Android Auto
- New exterior colors: Toasted Marshmallow, Kalamata and Splash

SAFETY FEATURES

- Ten standard air bags, including driver/front passenger knee air bags, roof rail side air bags and seat-mounted thorax/pelvic air bags
- Available rollover sensing and protection system
- Forward Collision Alert and Lane Departure Warning
- Standard rear-vision camera system
- Rear park assist is available
